

# How can social enterprises help meet the challenges we face in the health and social care sector?

Social Enterprise Focus and our partners are pleased to invite you to this valuable event which will explore the opportunities facing the health and social care sector and how social enterprises can benefit from working collaboratively.

## The event will cover:

- Why Social Enterprises are so important in the health sector
- How Social Enterprises can work together to deliver more
- How the Social Enterprise Mark accreditation can help us
- What the Academic Health and Science Network is doing to help social enterprises contribute towards innovation and services.

Hear from likeminded social enterprises, including: Northern Soul, Care Right Now, Carers Break and Active Plus

This is also an excellent opportunity to meet other social enterprises and network.
